

HAPPY NEW YEAR !!! HAPPY NEW YEAR!!!

FEBRUARY 2008

As we begin another year, we look back at the challenges confronted by the UNITED AFRICAN CONGRESS, Inc. and their solutions and with what degree of success. One thing is certain. The UNITED AFRICAN CONGRESS, Inc. is our organization. When we all work together, we are sure to succeed. Overall, while the year 2007 was not an easy period, we were able to address some issues and concerns. For example, one of our members who had been denied a 9 months scholarship to pursue her Licensed Practical Nurse course, was given this opportunity with the intervention of the UAC, Inc. and has recently graduated with distinction. She called to thank the organization.

Another member facing deportation was rescued by the timely intervention of our Attorneys. He is now living comfortably. His IMMIGRATION AND NATURALIZATION documents will be finalized shortly.

During the short visit to New York City by Hon. Lansana Kouyate, the Prime Minister of the Republic of Guinea, the UAC, Inc. National Vice President, Mr. Djikiba Camara aided by the President and National Spokesperson, Mr. Sidique A.Wai, facilitated a meeting at the Cooper Union in Manhattan where the visiting party met and dialogued with their fellow Guineans and other Africans residing in the NEW YORK CITY and the Tri-State areas.

The President/National Spokesperson accompanied by the National Chairman, Dr. Mohammed A. Nurhussen, MD and the Secretary General Dr. Michael J. Cole, traveled to California to witness the graduation ceremony of Dr. Blaine Pope the President of our new UAC, Inc. chapter in Santa Barbara, California. We had the opportunity to meet a good number of friends who will be helpful in advancing the cause of UAC, Inc, in the West Coast.

Sooner or later, we expect a high powered delegation to travel to the Republic of Gabon, Central Africa on the invitation of the President El Hadj Omar Bongo Ondimba.

There is a lot more information waiting for you. For now, we are inviting you to the First GENERAL MEMBERSHIP MEETING in 2008 with the details as follows:
